

Capstone

Milestone 1

1. Check the box that applies to your capstone:

- ☐ I am working individually on the e-commerce site
- ☐ I am working in a group on the e-commerce site
- ☐ I am working in a group on the review site
- ☒ I am working in a group on another full stack application that has been approved by my instructional team

2. In the space below, provide proof of wireframe and/or schema completion:

Note: "proof" can include a picture of hand-drawn sketch, a sharable link to a resource used to create the wireframe and/or schema, etc. Any artifact that demonstrates planning of the application and its functionality will work for this milestone.
